¹ "Consistent with EO 1100-R (2.2.5), Cal Poly recognizes the need to offer consideration to high-unit major degree programs. Cal Poly's definition of a high-unit program in the GE template included herein is equivalent to our definition of "engineering programs" from the prior GE template: all programs within the College of Engineering along with the other ABET accredited programs of ARCE and BRAE. Only these programs will be considered high-unit major degree programs."

Subject: Response to AS-913-21 Resolution to Establish Area F in the General Education 2020 Template

By way of this memo, I approve the above-entitled Academic Senate resolution.

I appreciate the speed and flexibility with which the Academic Senate and the General Education Governance Board have implemented the new CSU General Education breadth requirements, while retaining the elective freedom of Cal Poly's new GE 2020 curriculum.

The addition of Area F will help the university achieve Strategic Priority 3, which is to "Enrich the Campus Culture of Diversity, Equity, and Inclusion," and its goal to "prepare all students for their future through an education that includes diversity learning and reflects the principles of Inclusive Excellence."

Please extend my thanks to the members of the Academic Senate and the General Education Governance Board for their attention to this important curricular matter.
